*Carry your insurance ID card with you at all times.*

The first charges must be incurred within 30 days from the date of the covered accident or sickness.

- The cost of the insurance charge
- A $50 deductible per accident or sickness
- There are no copays for medical treatments or prescription drugs
- If you do not use an in-network pharmacy, you will need to pay in full at the time of pickup then send a claim for reimbursement
- Expenses in excess of usual and customary charges if you do not use an in-network provider
- Full amount for any services not covered by insurance (see exclusions and limitations in the Plan Certificate)
Where to Access Care

If you experience a sickness or an injury, here are the places you should go to access care. Each option is discussed in detail on the following pages.

- **Doctor’s office**, for medical concerns and sick visits
- **Urgent care center**, for illness or injuries when your doctor’s office is closed
- **Hospital**, for scheduled surgery or a medical emergency only

What Does “In-Network” Mean and Why Does It Matter?

In-network means providers such as doctors, specialists, and hospitals that accept this insurance plan. Note: Sometimes it is also called “PPO” or “Preferred” network. The network for this plan is **First Health Network**.

If you use an in-network provider, covered medical services are paid by the insurance company at 100%. If you use an out-of-network provider, meaning a provider who is not in-network, covered medical expenses are paid at 100% of usual and customary charges.

To find an in-network provider:

1. Go to [www.firsthealthlbp.com](http://www.firsthealthlbp.com)
2. From the “Locate a Provider” screen, select “Start Now.”
3. Select the type of provider, such as physician or Urgent Care.
4. Select Search by ZIP code and enter your ZIP code.
5. Select the distance you are willing to travel to the provider (minimum of five [5] miles).
6. Click “Search Now.”

Always check with the doctor or medical facility directly to confirm that they accept **First Health Network** before you receive treatment.

**It is best to locate an in-network doctor, urgent care center, and emergency room near you before you get sick.**
What Is Covered?

- $500,000 benefit per policy term for covered medical expenses
- Most doctor visits and hospital charges, paid at 100% (after deductible)
- Emergency expenses
- Surgery, in- and out-patient
- Physical therapy
- Tests, procedures, and laboratory services, such as X-rays and blood draws
- Prescription drugs

Limitations, copays, and coinsurance may apply. Pre-existing conditions are covered up to a maximum of $10,000 per policy year. Please see the Plan Certificate for full benefit details.

If there are any discrepancies between this document and the Policy, the Policy will govern.

Getting a Medication

- If your doctor prescribes a medication, you should fill it at an Express Scripts in-network pharmacy, including CVS, Rite Aid, Walgreens, and Walmart. To locate an in-network pharmacy, visit www.express-scripts.com or call (800) 447-9638.
- ALWAYS ask for the generic form of the drug, if available; this will decrease the cost.
- If you do not use an in-network pharmacy, you will need to pay in full at the time of pickup and then send a claim for reimbursement.
- Download a prescription claim form at www.4studenthealth.com/nau under Pharmacy in the USE YOUR INSURANCE section.
- Send all receipts with the completed claim form to the address on the form. You will be reimbursed 100% of the usual and customary cost of the drug. Make copies of all receipts for your records before you mail them.
Doctor Visits

When you have a health care need, such as a sickness, injury, or other medical concern, schedule an appointment to see a doctor.

1. Use an in-network doctor whenever possible. Note: You are not required to see in-network doctors; however, if you choose to see a doctor who is not an in-network provider, you will have to pay for expenses in excess of usual and customary charges.

2. Phone the doctor’s office to make an appointment. Tell them you have First Health Network insurance.

3. Arrive 15 minutes early for your appointment.

4. Bring your insurance ID card with you.

Every visit to a health care professional, whether at the doctor’s office, emergency room, urgent care center, etc., is treated confidentially. NO information will be released without your express written consent.

Urgent Care

Do not go to the hospital for minor illnesses or injuries! If you need to see a doctor immediately and cannot wait for a scheduled appointment, please go to an urgent care center. Hospital emergency rooms typically charge 2-3 times more than a doctor’s office or urgent care center. Use an urgent care center instead of an emergency room to save time and money.

Here are some in-network urgent care centers close to campus:

Concentra Urgent Care
10521 Corporate Drive
Stafford, TX 77477
(281) 277-7997

Concentra Urgent Care

(866) 944-6046

Excel Urgent Care PLLC
6840 Highway 6, Suite A
Missouri City, TX 77459
(281) 403-3660
Hospital Emergency Room

In the case of a life-threatening emergency, call 911 for an ambulance or go to the nearest hospital emergency room (ER).

Examples of life-threatening emergencies:

- Car accident
- Severe pain or excessive bleeding (especially from the head)
- Heart attack
- Higher fever or rash after surgery
- Broken bones
- Coughing up blood
- Signs of miscarriage

*These are only a few examples of emergency medical conditions. These examples do not constitute medical advice. Please contact a medical professional if you have questions about any medical condition.*

Claims

After your visit, an in-network doctor or provider will send a bill to the claims administrator, Relation Insurance Services.

If the medical provider does not file a claim directly with the claim administrator on your behalf, you will need to submit a claim for reimbursement. Follow these steps:

- Claim forms are available at www.4studenthealth.com/nau under Claims in the USE YOUR INSURANCE section.
- Download a claim form and fill it out completely.
- Include your policy number (as shown on your ID card) on the claim form.
- Attach itemized bills for X-rays, laboratory charges, etc.
- Send your claim form and all bills pertaining to this claim to Relation Insurance Services at the address below. Try to have all itemized bills attached to the same claim form.

The address and fax number to submit claims information are as follows:

**Relation Insurance Services**

P.O. Box 25936

Fax: (913) 327-7520
