FREQUENTLY ASKED QUESTIONS

1. Has there been a change in the way we enroll for coverage?

Yes, please submit a completed enrollment form at least 2-3 weeks prior to your effective date needed. Upon receipt, we will review, approve and provide you with a quotation. In order for coverage to be bound you will need to provide a signed confirmation of your acceptance along with the appropriate premium for coverage to be bound.

2. How soon does coverage start? When will we receive proof of coverage?

Once we have received, reviewed and approved your completed enrollment form, coverage can be bound upon receipt of your signed approval of our quote with the appropriate premium. Please allow adequate time for us to process your enrollment form and issue certificates.

3. We are a newly formed school/club and we are not sure how many students we will have, how should I report my student count?

You need to report the number of students you project to have enrolled at the busiest time of year. You may add additional students at any time by using the gymnastics supplement form.

4. Is coverage under this policy extended to independent contractors (non-employees) working on behalf of the gym?

Independent contractors (non-employees) are not covered under this program. We do, however, offer an insurance program specifically designed for independent contractors that directly supervise an individual or group engaged in gymnastics or cheer activities. Within this coverage, the independent contractor instructor can list your gym as an additional insured while instructing at your gym or as a part of your operations. Coverage for independent instructors can be purchased online or by contacting us.

5. Is my school/club covered for a meet or competition that we are hosting that involves non-registered students/members?

Coverage is included for meets or competitions you host that only include students/members of your school or club. To obtain coverage for an event that includes non-registered students/members, please contact us for coverage options available.

6. Am I allowed to transport students to activities such as meets, competitions or events?

This insurance program does not provide coverage for the transportation of students. Should the transportation of students be necessary for your operation, we suggest that you consult a licensed insurance agent in your area to provide you with commercial automobile coverage for this type of exposure.

7. Can I use a Tumble Trak at my gymnastics school?

Yes. We provide coverage for the use of Tumble Traks and trampolines as a part of your school/club teaching apparatus. In addition, limited coverage may be available for inflatable structures through this program. Refer to page 12.

8. Will we receive a policy after submitting the enrollment form?

Coverage offered under this program is exclusively through Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member will receive their own certificate of insurance as their evidence of coverage. The limits of insurance apply individually to each insured member organization-there are no shared limits of liability with any other members. A copy of the RPG master policy can be requested in writing to: Relation Insurance Services, P.O. Box 25936, Overland Park, KS 66225 or programs@relationinsurance.com.

9. What constitutes a member?

A member is an individual who regularly takes classes at your facility. A member is not someone who participates only in your camp/clinic/open gyms.

This brochure is for illustrative purposes only and is not a contract of insurance. You must refer to the actual policy for complete information regarding coverage terms, conditions and exclusions as they may change from one coverage period to the next. You may request a copy of the full policy by submitting a written request to us.
