- Prescription drugs

Limitations and exclusions may apply. Please see the Plan Summary for more details.

Coinsurance is the cost sharing between what the insurance pays and what you pay. This insurance plan pays 100% of Preferred Allowance (after deductible) when you use the **Aetna Passport to Healthcare® Primary PPO Network**, and 100% URC when you use out-of-network providers.

Benefits

	Aetna Passport PPO Provider You Will Pay:	Out-of-Network Provider You Will Pay At Least: [†]
Deductible (certain benefit deductibles may be in excess of the Plan Term Deductible)	\$100 per Person, per Policy Year	
Office Visit or Urgent Care Visit	\$0	No benefit deductible [†]
Hospital Room & Board	\$0	No benefit deductible [†]
Emergency Room Benefit	\$250 copay per visit (copay waived if admitted to hospital)	\$250 deductible per visit (deductible waived if admitted to hospital)
Prescription Drugs	\$0	100%*

[†] Using out-of-network providers will cost you more money! Coinsurance is payable for Usual, Reasonable, and Customary (URC) Charges, the most common charge for similar professional services, drugs, procedures, devices, supplies, or treatment within the area in which the charge is incurred. Some out-of-network providers charge more than URC and you will be responsible for these excess amounts over the listed coinsurance.

* You must pay for prescription in full and submit a claim for reimbursement.

2020–2021
