

CITY COLLEGE OF SAN FRANCISCO INTERNATIONAL STUDENT INSURANCE PLAN

Why do I need health insurance?

Medical care in the U.S. is expensive and complicated. A typical doctor visit averages \$250, and an overnight hospital stay can cost thousands of dollars. When an unforeseen accident or illness occurs, it is important that you have insurance to help cover these high costs. When used in accordance with the guidelines, the insurance policy provided by your school is designed to cover the majority of the cost of necessary medical treatment and medications.

We know the health care system in the U.S. may be hard to understand. Please call Relation Insurance Services with any questions you might have at **(800) 537-1777** (Monday–Friday, 8:00 a.m. to 5:00 p.m. Pacific Time).
