

WAIVER FAQ

2021–2022

MICHIGAN STATE UNIVERSITY STUDENT & GRADUATE ASSISTANT HEALTH INSURANCE PLANS

Michigan State University (MSU) has implemented domestic and international students and graduate assistant plans to protect your educational future. If you get sick or injured, insufficient health insurance can lead to financial hardships that can threaten your ability to attend class, pay tuition, get student loans, or live away from home. Having insurance is a safety net that helps ensure you are able to stay in school.

Am I allowed to waive health insurance if I am residing outside the U.S.?

International students remaining outside the US for the full waiver period should complete an eForm through OISS to provide proof of residency. Once the eForm has been reviewed and approved, the health insurance charge will be removed from your student account. For questions related to the form, please contact OISS at (517) 353-1720 or oiss.msu.edu.

What is a health insurance Waiver Application?

A Waiver Application is an online form that you complete if you have other qualified health insurance and do not wish to be enrolled in MSU's Insurance Plan. As part of the waiver process you are required to provide specific information about your existing insurance coverage, which will be verified by Relation, the Waiver Administrator.

In order to waive, please have your insurance ID card, policy, and name, date of birth and address of the primary insured.

Who is eligible to submit a Waiver?

- Domestic Medical Students (Human, Veterinary, Osteopathic)
- Graduate Assistants
- International students sponsored by home governments or non-governmental organizations outside of MSU
- International students with MSU staff benefits, through own employment or spouse/parent employment
- International students with U.S. employee benefits, through own employment or spouse/parent employment
- International students enrolled in an online degree program

Does my other insurance qualify?

If you are eligible to waive MSU's Insurance Plan because you have other qualified insurance, benefits under that plan must include **all** of the following criteria to be approved:

International Students

- Coverage must be at least \$500,000 per condition without time limitation
- Deductible must be \$500 or less per individual
- Plan must cover inpatient and outpatient medical services (including labs and x-rays) and mental health services

How do I decide whether or not to waive coverage?

If you have other coverage that meets the waiver criteria, it is your decision whether or not to waive. However, before you make that decision, please consider the following:

- MSU's Insurance Plan may be less expensive than being insured on an individual plan or as a dependent on an employer group plan through your parent or spouse. When comparing costs, be sure to look at **premium, deductibles, copays, and out-of-pocket maximums.**
- MSU's Insurance Plan has a local PPO provider network. If you have out-of-state coverage, or HMO or PPO coverage with a limited provider area, there may not be many or **any** network providers near school. You may have to pay higher out-of-network deductibles, coinsurance, or copays.

How often must I submit a Waiver Application?

Students who wish to waive MSU's Insurance Plan during the fall term can request an annual waiver or a fall only waiver. Students who are new for the Spring I and Spring II terms will request a waiver for the spring. Students who are new for Spring III will request a waiver for the summer term. **If you do not complete an annual waiver, you will be responsible for ensuring that you have an approved waiver that extends for each term that you attend MSU. If you have an approved spring waiver, you do not need to complete an additional summer waiver. New students for summer term will need to complete a waiver petition for that time period.**

What happens if I don't waive by the deadline date?

Students who do not successfully waive by the deadline date during each waiver period stated above will remain enrolled in MSU's Insurance Plan for the applicable term. Any applicable health insurance charge will remain on your student account.

If my insurance coverage starts after the term begins, can I get a refund?

No refunds will be issued. If it is past the Waiver Deadline Date, your MSU's Insurance Plan coverage will remain in place and you will be required to wait until the next waiver period to waive out of MSU's Insurance Plan.

What if I successfully waive out of MSU's Insurance Plan, then lose my other coverage?

You may enroll at other times during the year if you have a qualifying event. Qualifying events include loss of coverage through another plan, marriage, divorce, birth, or adoption of a child.

You must contact the MSU Solutions Center, located at 1407 S. Harrison Road, or call **(800) 353-4434** and enroll in the plan within 30 days of the qualifying event. Premium will be pro-rated.

Please contact the MSU Solutions Center if you have questions about qualifying for this option.

How do I know if my waiver is approved or denied?

When you submit your waiver application, you will receive an email acknowledging receipt of your waiver application. Generally within 7-10 business days, you will receive another email. Please read this email carefully. If your waiver is approved, you have nothing further to do. If your waiver is pending, you may need to supply additional information. You must supply all information by the waiver deadline, or your waiver will be denied. If your Waiver Application is denied, you will remain enrolled in MSU's Insurance Plan.

If you provide the information and it meets the requirements, you will be notified by email within 3–10 business days that your waiver was approved.
