

KANSAS COLLEGE OF OSTEOPATHIC MEDICINE STUDENT HEALTH INSURANCE PLAN (SHIP)

What is a Student Health Insurance Plan (SHIP)?

SHIP is a health insurance plan designed just for Kansas College of Osteopathic Medicine students. Your school makes this Plan available to protect your educational future. If you get sick or injured, insufficient health insurance can lead to financial hardships that can threaten your ability to attend class, pay tuition, get student loans, or live away from home. Having health insurance is a safety net that helps ensure you are able to stay in school.

Am I required to have health insurance?

Any full-time student who is registered and attending classes at Kansas College of Osteopathic Medicine is required to have adequate health insurance coverage. You will be automatically enrolled in SHIP, unless you provide proof of comparable coverage and submit a waiver by the Waiver Deadline Date. If you have other health insurance, such as coverage under your parent's or employer's insurance plan, and you do not wish to enroll in SHIP, you may submit a Waiver Application.

What is a health insurance Waiver Application?

It's an online form that you complete if you have other qualified health insurance and do not wish to be enrolled in SHIP. As part of the waiver process you are required to provide specific information about your existing insurance coverage, which will be verified by Relation, the Waiver Administrator.

Does my other insurance qualify?

Yes, if your benefits under that plan include **all** of the following:

- Coverage must be active and continuous (no break or termination) for the entire academic year;
- Coverage must be Affordable Care Act (ACA) compliant;
- Maximum benefit must be unlimited;
- Deductible must be \$1,000 for individual / \$3,000 for family, or less per policy year;
- Claims must be paid by a U.S.-based company, and underwriting company must be owned, operated, and headquartered in the U.S. and must be in full compliance with all applicable federal laws;
- A provider network within 25 miles of the KansasCOM area for primary routine care, specialty, hospital, and diagnostic care; and
- Plan must provide coverage in all 50 states

Your insurance coverage will be verified.

Students who are covered under a health insurance plan that does not meet all of the applicable requirements will not be allowed to waive out of Kansas College of Osteopathic Medicine Student Health Insurance Plan.

How do I decide whether or not to waive SHIP?

It is your decision whether or not to waive. However, please consider the following:

- SHIP may be less expensive than being insured on an individual plan or as a dependent on an employer group plan through your parent or spouse. When comparing costs, be sure to look at **premium, deductibles, copays, and out-of-pocket maximums**.
- SHIP has a local PPO provider network. If you have out-of-state coverage, or HMO or PPO coverage with a limited provider area, there may not be many or **any** network providers near the college. You may have to pay higher out-of-network deductibles, coinsurance, or copays.

Please remember that if you waive coverage under SHIP, you are responsible for any medical costs you incur.

How often must I submit a Waiver Application?

Once each academic year by the deadline date.

What happens if I don't waive by the deadline date?

You will be automatically enrolled in SHIP.

If my insurance coverage starts after the term begins, can I get a refund?

No refunds will be issued. If it is past the Waiver Deadline Date, your SHIP coverage will remain in place and you will be required to wait until the next waiver period to waive out of SHIP.

If you withdraw from classes to enter the armed forces of any country, coverage will terminate as of the effective date of such entry and a pro rata refund of premiums will be made if you submit a written request within 90 days of withdrawal from classes.

What if I successfully waive out of SHIP, then lose my other coverage?

You may enroll in SHIP mid-year if you waived out but later lose your other coverage due to no fault of your own, such as coverage that terminates due to a loss of employment (by you, your spouse, or your parent) or by reaching an age limit set by the plan. This does not include coverage that has been voluntarily or inadvertently terminated by you, for example, by missing an enrollment deadline.

To enroll in the plan mid-year after an involuntary loss of coverage, you must notify Relation by calling (800) 537-1777, and submit proof of loss of coverage, within 31 days of termination of prior coverage. Premium costs will be prorated based on number of days remaining in the term.

How do I know if my Waiver Application is approved or denied?

When you submit your Waiver Application, you will receive a “SHIP Waiver Confirmation” email via your student email account or personal email. Generally within 7-10 business days, you will receive either a “Waiver Approval” or “Waiver Denial” email. **Your waiver is not final until you receive either a “Waiver Approval” or “Waiver Denial” email message.**

Please check your email account regularly for waiver status updates.

- **Approval** means that you will not be enrolled in SHIP for the 2022–2023 academic year. If at any time it is discovered that you have failed to maintain coverage that meets the stated requirements, your waiver will be revoked and you will be required to enroll in SHIP.
- **Denial** means you will be automatically enrolled in and charged for the school-sponsored Plan.

Appealing a waiver denial

If you would like to challenge your waiver denial, you may contact KHSCstuaffairs@kansashsc.org to submit an appeal. Appeals must be received within seven (7) business days of your waiver denial notification to be considered.

What happens if I receive an “Action Required” or “Information Needed” email?

You must provide the requested information right away, or your waiver will be denied. If you provide the information and it meets the requirements, you will be notified by email within 10 business days that your waiver was approved or denied.

If you do not provide the information by the date requested, or if the documentation you provide does not meet the requirements, you will be automatically enrolled in SHIP and you will receive notice after the waiver deadline that your Waiver Application was denied.

It is your responsibility to send in additional documentation if requested.

Whom should I contact if I have additional questions?

Contact Relation at (800) 955-1991 or email clientservices@relationinsurance.com.
