Your dependents (spouse, domestic partner, or children under the age of 26) must be enrolled before the start of the term or within 31 days of marriage, birth, adoption, or arrival in the U.S.

## Your Insurance ID Card

Once you are enrolled in the plan, you will receive an email notifying you that your ID card is available. Log in or create an account at [www.4studenthealth.com/mission](http://www.4studenthealth.com/mission).

If you need to seek medical treatment before you receive notice that your ID card is active, please contact Relation at **(800) 537-1777**.

**Carry your ID card with you at all times!** You will need your card when you visit the campus health center, a physician's office, urgent care, or hospital.

## Where to Access Care

If you experience a sickness or an injury, here are the places you have access to. Each option is discussed in detail on the following pages.

- **Campus health center**, for minor illness or injuries
- **Physician's office**, for medical concerns and sick visits
- **Urgent care center**, for non-emergency illnesses or injuries that need immediate care when the campus health center is closed
- **Hospital**, for scheduled surgery or a medical emergency only

## What Does “In-Network” Mean and Why Does It Matter?

In-network means providers such as physicians, specialists, and hospitals that accept this insurance plan. *Note: Sometimes it is also called “PPO” or “Preferred” network.* The network for this plan is **Aetna Passport to Healthcare® Primary PPO**.

If you use an Aetna provider, covered medical services are paid by the insurance company at 100% of the Preferred Allowance (after deductible and copay). If you use an out-of-network provider, covered medical expenses are paid at 100% of Usual, Reasonable, and Customary (URC) charges (after deductibles).

## What You Will Pay

- The cost of the insurance charge
- A \$100 deductible per policy year (certain benefit deductibles may be in excess of the plan term deductible)
- A \$250 copay/deductible if you go to an emergency room (waived if you are admitted to hospital)
- Expenses in excess of Usual, Reasonable, and Customary (URC) charges if you do not use an Aetna provider
- Full amount for any services not covered by insurance (see exclusions and limitations in the Plan Summary)

## Find a Physician or Facility

1. Go to [www.aetna.com/docfind/custom/passport](http://www.aetna.com/docfind/custom/passport).
2. Enter your location and range, then click **Search**.
3. Select the **Passport to Healthcare® Primary PPO**, then click **Continue**.
4. Type the name, specialty, or type of provider you’re looking for into the search bar, or click the corresponding category.
5. Select a provider from the list, and call to make an appointment..

It is best to locate an Aetna physician, urgent care center, and emergency room near you before you get sick. Always verify the provider is part of the **Aetna Passport to Healthcare® Primary PPO Network** before you receive treatment.

## What's Covered (Treatment must be Medically Necessary)

- \$500,000 maximum benefit per injury or sickness
- Most physician visits and hospital charges, paid at 100% (after deductible) for Aetna services; or 100% of URC (after deductible and copay) for out-of-network services.
- Specific emergency benefit expenses
- Surgery, in- and outpatient
- Tests, procedures, and lab services, such as X-rays and blood draws
- Physical therapy, chiropractic care, and acupuncture
- Maternity and prenatal care
- Prescription drugs

**Limitations and exclusions may apply.** Please see the Plan Summary at [www.4studenthealth.com/mission](http://www.4studenthealth.com/mission) for more details regarding benefits, terms, conditions, and exclusions of the insurance plan as underwritten by Crum & Forster, SPC.

## Physician Visits

When you have a health care need, such as a sickness, injury, or other medical concern, schedule an appointment to see a physician.

1. Use an Aetna physician whenever possible. *Note: You are not required to see Aetna physicians; however, if you choose to see a physician who is not an Aetna provider, you will have to pay for expenses in excess of URC.*
2. Call the physician's office to make an appointment. Tell them you have **Aetna Passport to Healthcare® Primary PPO** insurance.
3. Arrive 15 minutes early for your appointment.
4. Bring your insurance ID card with you.

Every visit to a health care professional, whether at a physician's office, emergency room, urgent care center, etc., is treated confidentially. NO information will be released without your express written consent.

## Urgent Care

**Do not go to the hospital for minor illnesses or injuries!** If you need to see a physician immediately and cannot wait for a scheduled appointment, please go to an urgent care center. Hospital emergency rooms typically charge 2-3 times more than a physician's office or urgent care center. Use an urgent care center instead of an emergency room to save time and money.

- Heart attack
- Higher fever or rash after surgery
- Broken bones
- Coughing up blood

*These are only a few examples of emergency medical conditions. These examples do not constitute medical advice. Please contact a medical professional if you have questions about any medical condition.*

## Getting a Medication

Fill your prescriptions at an Express Scripts pharmacy, which may include CVS, Walgreens, and Walmart. To locate a pharmacy, visit [www.express-scripts.com](http://www.express-scripts.com) or call **(800) 400-0136**.

Points to consider:

- ALWAYS ask for the generic form of the drug, if available; this will decrease the cost.
- If you do not use an Express Scripts pharmacy, you must pay in full and send a claim for reimbursement.
- Download a prescription claim form at [www.4studenthealth.com/mission](http://www.4studenthealth.com/mission) under **Pharmacy** in the USE YOUR INSURANCE section.
- Send all receipts with the completed claim form to the address on the form. You will be reimbursed 100% of actual charges of the drug. Make copies of all receipts for your records before you mail them.

## Claims

After your visit, an Aetna physician or provider will send a bill to the claims administrator, Administrative Concepts, Inc. (ACI).

If the medical provider **does not file** a claim on your behalf, you will need to submit a claim for reimbursement. Follow these steps:

1. Download a claim form and fill it out completely.
2. Claim forms are available at [www.4studenthealth.com/mission](http://www.4studenthealth.com/mission) under **Claims** in the USE YOUR INSURANCE section.
3. Include your member number (as shown on your ID card) on the claim form.
4. Attach itemized bills for X-rays, lab charges, etc.
5. Send your claim form and all bills pertaining to this claim to ACI at the address below. Try to have all itemized bills attached to the same claim form.

The address and fax number to submit claims information are as follows:

Administrative Concepts, Inc.  
PO Box 4000  
Collegeville, PA 19426  
Fax: **(610) 293-9299**

**Keep copies of all the documents you submit.**

If you have questions about claims, contact ACI at **(800) 483-6192** or email [aciclaims@acitpa.com](mailto:aciclaims@acitpa.com). To review your claims online, visit the Portal at <https://secure.visit-aci.com/ClaimStatus/>.

## What if I am outside California or the U.S. and need medical treatment?

All medical bills, receipts, and other information should be sent to the claims department address.
