Feeling stressed or anxious? Let’s talk.

You’re busy. We get it. As a college student, your studies don’t always allow you the time to talk to a mental health professional, even though you might be struggling with anxiety or stress. DialCare Mental Wellness can help. The DialCare Mental Wellness program is designed to provide you with a safe, secure, convenient and private means of seeking assistance from licensed mental health professionals via virtual or telephonic counseling sessions. Our mental health professionals can assist you with conditions such as depression, anxiety, stress, grief, relationship problems and more. This unique program offers an app-based interface, allowing you to engage in counseling sessions not only over the phone, but via video chat as well, so you can talk with our mental health professionals wherever you feel most comfortable.
