Help! I Need Medical Care.

What type of issue are you having?

**Minor**
I'm sick and I think I need a prescription

- Doctor Visit or Doctor on Call
  - $ Talk to a doctor without leaving the house! Great for common medical issues such as colds, aches, and pains.

  - Does your condition require specialized care?
    - **NO**
      - Primary Care Physician
        - $ For minor and serious medical issues. Seeing a primary care physician is the most affordable type of health care.
    - **YES**
      - Specialist
        - $$ For minor and serious medical issues that require specialized care. More expensive than a primary care physician.

**Serious**
I'm sick or injured and need medical care for a non-life-threatening problem.

- Is it after-hours? Are you traveling? Do you need immediate attention?
  - **NO**
    - Primary Care Physician
      - $ For minor and serious medical issues. Seeing a primary care physician is the most affordable type of health care.
  - **YES**
    - Urgent Care
      - $$ For serious medical issues that require immediate attention, such as minor cuts, burns, sprains, and fractures.

**Life-Threatening**
Help! I'm having a medical emergency!

- Call 911 or go to Emergency Room
  - $$$ Most expensive option, but best for critical health issues.
    - Heart attack
    - Broken bones
    - Stroke
    - Difficulty breathing
    - Severe burns
    - Severe allergic reaction
    - Severe injury
